

Editor's Comment:

Please find attached herewith my reviewers report for MS 2019_AJFAR_50391. The paper may be published after desired corrections.

Please get deleted hyper marked serial numbers on each reference in the text, as it is not correct. The author's name (Year) in references are sufficient.

They are few extra references in text and few are not cited in References list. All this should be taken care.

Editor's Details:

Dr. Vijai Krishna Das

Former Professor, Department of Zoology, Kamla Nehru Institute of Physical and Social Sciences,
Sultanpur, Uttar Pradesh, India
