PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>Good job. Here are some suggestions:</p> <ol style="list-style-type: none"> 1. This manuscript is too short. Excluding the reference section will leave it with only 11 pages. More information can be added to it. can be added to it. 2. A literature review section can be created to include previous literatures from on related topics and show where this work can fit in this field. 3. A hint of the research results can be included in the abstract to make the readership aware. 4. Please check the referencing style 5. SWOT analysis, is part of the title which makes it an integral part of this manuscript. However, little has been said on how the concept relates to the Poultry field. 6. The introduction of this manuscript is only half a page. More information can be added to this section especially concerning the actual background of the topic. 	<p>Correction made in revised MS</p> <p>Done</p> <p>Introduction section illustrated</p>
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
