

**SDI Review Form 1.6**

Journal Name:	<a href="#">Asian Journal of Biotechnology and Bioresource Technology</a>
Manuscript Number:	Ms_AJB2T_46941
Title of the Manuscript:	Physico-chemical, Gas Chromatography-Mass Spectrometry (GC-MS) Analysis and Cold Saponification of Wild grapes (Lannea microcarpa) Seed Oil
Type of the Article	

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	The article is interesting and brings important contributions, however the same should be improved in writing, especially in the introduction and discussion. Additionally, the article is without the topic of results.	Corrected all as referred in the attached file
<b>Minor</b> REVISION comments	A very serious error of the manuscript is with regard to the scientific name, since it does not follow the norms of the International Code of Botanical Nomenclature. In addition, the studied plant species was not deposited in a herbarium. The voucher number is required for the article to be published.	Scientific names rechecked properly and corrected whether necessary
<b>Optional/General</b> comments		

**PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
