

SDI Review Form 1.6

Journal Name:	Asian Journal of Research in Agriculture and Forestry
Manuscript Number:	Ms_AJRAF_49813
Title of the Manuscript:	Effect of Different Moisture Harvesting Techniques on Seedling Survivals and Growth of Trees in degraded lands of southern Tigray
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Nowadays, the results obtained by the author are very important, taking into consideration the necessity to preserve the existing forest and to applied the sustainable techniques in the situation of climate change. These data are interesting for that area, but can be also interesting for other regions, too. The paper is well prepared, the results are presented in details, are clear and only minor changes are necessary, as I recommended.	Thanks. I have modified it according to the comments.
Minor REVISION comments	I appreciate that only minor changes are necessary, as I recommended by my observations on the research work text.	Accepted and modified it.
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
