PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	No.1. Prepare the abstract part within 10-13 lines. No.2. Is it possible to remove some sentences from introduction part. No.3.Recheck the references (References are not according to the Journal format)	1) I don't quite understand the comment. The abstract is supposed to be not more than 300 words as per the guidelines and no specifications as per the number of lines. Also, the number of lines it assumes will depend on the size of the text box containing the abstract. The smaller the text box, the more the number of lines. Please can the comment be made clearer? 2) Noted and executed 3) Noted with thanks.
Optional/General comments
