

SDI Review Form 1.6

| | |
|--------------------------|---|
| Journal Name: | Journal of Advances in Microbiology |
| Manuscript Number: | Ms_JAMB_50816 |
| Title of the Manuscript: | bla TEM, bla SHV and bla CTX-M-15 Extended spectrum beta-lactamase produced by Acinetobacter baumannii, Enterobacter cloacae and Proteus mirabilis from pregnant women in three secondary health care facilities in south-south, Nigeria |
| Type of the Article | Original Research Article |

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
