PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1] some references are not in correct style please check. 2] Introduction should have a more detailed description of neopterin origin and pathogenesis not such a small discussion.	1. All references are in correct style. 2. This is an article for publication and so the small description of the origin and the pathogenesis of neopterin in the introduction is enough.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
