PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	This paper review the anti-diarrheal activity of Aegle marmelos, It is important for usage of this plant for medicine and benifit fo the human, so I support it to be published in the journal after majior revision. 1, the paper title is not a sentence, so it must be completed;may be "a review of Aegle marmelos as a medicine" 2, the title is about the anti-diarrheal activity of Aegle marmelos, but it paper described more than only one ativity, so it not limited to the anti-diarrheal activity , so it may be enlarged to include all of their activites, or it may be limited to only one acivity;	Correct it gastric ulcer may cause diarrhoea. That's why I include that activity
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details) No
