

SDI Review Form 1.6

| | |
|--------------------------|--|
| Journal Name: | Journal of Pharmaceutical Research International |
| Manuscript Number: | Ms_JPRI_49934 |
| Title of the Manuscript: | Antimicrobial Potential of Ethanol Extract and Fractions of Caesalpinia benthamiana (Caesalpinaceae) Root on Some Organisms Implicated in Oral Infections |
| Type of the Article | Original Research Article |

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|---|---|
| Compulsory REVISION comments | | |
| Minor REVISION comments | This paper deals with the activities of ethanol root extract of <i>Mezoneuron benthamianum</i> Baill (Caesalpinaceae) against some microbial isolates implicated in oral infections and determined the killing rate of the most active fraction, it is important for the usage of this extract, so I support it to be published in the journal after minor revision. 1, reference format must keep the same; | I agree with the author and the issue he raised has been addressed |
| Optional/General comments | | |

PART 2:

| | Reviewer's comment | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--|---|---|
| Are there ethical issues in this manuscript? | (If yes, Kindly please write down the ethical issues here in details) | |
