EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. The authors should avoid similarity with these articles: 1) FACTORS AFFECTING DOMESTIC VIOLENCE AGAINST WOMEN: A CONCEPTUAL MODEL AND RESEARCH PROPOSITIONS 2) Intimate partner violence against women in west Ethiopia: a qualitative study on attitudes, woman's response, and suggested measures as perceived by community members</p>	<ul style="list-style-type: none">• These articles you mentioned are based on data which were collected from specific parts of the country, while my article was based on EDHS data which was collected for the first time in the country, by including all parts of the country in the survey.• I do not agree with some of your comments related to plagiarism, because how could I rewrite definitions or models using my own words. Sometimes there could be word similarity, since the introduction part usually is written by reviewing literatures.
