

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Advances in Research
Manuscript Number:	Ms_AIR_32185
Title of the Manuscript:	Modelling and allocation of vegetable crops using Mathematical Programming
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
There is no difference between the original version of the work and the revised version. Author has not made any corrections or additions to the work. As I mentioned in my previous review, this working is extremely simple. It is not as an article it is just an example. Publication of this work as an article is not appropriate.	

Reviewer Details:
