Compulsory REVISION comments	<p>This is a very good article, however the following should be taken into consideration:</p> <ol style="list-style-type: none"> 1. The article lacks a theoretical framework 2. The author will need to define the meaning of Hausa-folk considering the divergent views about the Hausas and their culture, is the author referring to Hausa (banza bakwai) from Sokoto only? 3. The article seems to focus mainly on the female folks, while in the objective of the study it alluded otherwise 4. The article will also need to look at the current contextual realities of the Hausa-folk, issues like inter cultural marriages and what bearing it has in the overall choice of a marriage partner 5. The suggestions for further study must come for a gap that the author must have noticed in the course of his/her study
