FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
I am sorry to inform you that I will not be able re-revise the mentioned manuscript since very important suggestion such as statistical data was not presented in the manuscript. This is a standard pattern for scientific paper. In addition to that it is a strong statement by the author question on reviewer qualification. Thus I suggest that the manuscript should be send to other qualified reviewer.
