

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<a href="#">Asian Journal of Research in Infectious Diseases</a>
Manuscript Number:	<b>Ms_AJRID_46792</b>
Title of the Manuscript:	<b>Studies on the Larvicidal and Pupicidal Activities of some Ethnobotanicals from North East Nigeria, against Culicine mosquito</b>
New title:	<b>LarvicidalActivities of some Ethnobotanicals from North East Nigeria, against Culicine mosquitoes</b>
Type of Article:	

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
<p>Dear Editor,</p> <p>Unfortunately I consider that the manuscript is not ready to publish.</p> <p>The tables are not self-explicative and the statistics analysis is not showed in the table.</p> <p>The text is not revised, some words are incorrectly written in caps lock.</p> <p>The positive control is request to show the action of crude extracts are equal or superior of the commercial larvicidal.</p> <p>The conclusion are not adequate. This section need to show what are the better concentration of the many crude extracts used for to gain larvicidal effect.</p>
