PART 1: Review Comments

	Reviewer's comment	Author's comment *(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)*
Compulsory REVISION comments	**None – great paper**	
Minor REVISION comments	**When you refer to Mirena IUCD – it is known as a system so technically should be IUCS – I realize many use IUD terminology for all – but think you may want to amend.** Are you aware of the Contraceptive Choice Project findings. In your paper, you refer to prior studies not having the implant as #1 choice. Not sure if you want to include the Contraceptive Choice project done in US In the references, not sure why not using latest WHO – Reference #2 – old – newest WHO guidelines are 2015.	
Optional/General comments	Typo- under Abstract – first word in conclusion needs a capital letter.
