PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Even though this article is interested in about participatory varieties selection. But the reason why this article was carried out, and the results are not clear. The finding is not enough to get the objective. It is more chance to consider for accepting it if the author (s) do re-write the results and findings.	
Minor REVISION comments		
Optional/General comments
