PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The comments are included in the revised manuscript. Once these comments are incorporated/addressed, the manuscript will be acceptable for publication. The text includes issues not related to the topic of the manuscript. The text is unfocused and does not build a case to support the thesis of the manuscript. Some statements require references, and where references cannot be found, those statements should be removed from the manuscript. Manuscript needs much work. See detailed comments on manuscript.
