	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>This very good paper. Recommended to publish with following minor changes.</p> <ol style="list-style-type: none"> 1. Format the document. 2. Table 3 and 4 show the results for the specific objectives. Where is the results for the main objective? <p>Thus, the main objective of the study was to investigate the effects of material management on the performance of SMEs in Kogi State. If performance measure by customer satisfaction and profitability and unable to combined together to measure performance, better not to have main objective. Author can operationalize "performance" and have two objectives for the study.</p>	
Minor REVISION comments		
Optional/General comments
