PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>The paper has been revised and some comments are not agreed by the author. Anyway, no other comments are given, except the following comments:</p> <ol style="list-style-type: none">1. The abstract shall be written in ONE paragraph.2. The equations in the text shall be in proper typesetting.3. Almost 90 percent of the references are from Wikipedia. This shall not happen in a scientific research paper unless the journal does not mind about this.4. There are so many short paragraphs, even some paragraphs are in one or two sentences. This seems the paper is less organized.
