PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	It would be very useful to add in the "Introduction" section the purpose, objectives and hypothesis of the research. The equations should be written using the equation software. The authors must provide the software they have processed and the database they have accessed. I recommend the authors to present the novelty of this research compared to previous research. The authors must develop the conclusions. Authors should cite papers published in journals indexed in Web of Science.	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
