PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments		
Optional/General comments	<ol style="list-style-type: none"> 1. The article is well written just few typographical errors which I flagged some of them on red. 2. Budgetary analysis is good for the analysis but logistic regression that would have examined how the Socio economics characteristics of respondents affect the profitability of charcoal marketing in the study area would have been preferable 3. The second observation can be ignored and the work can be published as it is well written. 4. Reference: I do not think that the journal name should be in bold font 	The manuscript has been modified .

PART 2:
