Compulsory REVISION comments		
Minor REVISION comments	<ol style="list-style-type: none"> 1. The paper needs a proof-reading as there are some typos and grammatical errors. 2. Line 9: You can start the sentence like "Developing countries, such as Malaysia, are in need" 3. Line 10.immens need for the economy to take..... 4. Line 48:growth of its ? Something is wrong here. What did you want to say? 5. Line 49: (Lusardi A., Olivia S. Mitchell and Curto V., 2010). Do not give the first letters of the names, just last names are enough. 6. Line 55. Based on previous study,... " Based on previous studies," 7. Line 57-58: "Lusardi & Mitchell (2007) revealed that women tend to report lower financial literacy than men. Lusardi and Tufano (2009)....Use either & or "and". 8. Line 61: "In work life", consequences on a worker's health.....on an employee's life... 9. Line 70: all the components will affect the financial...you can omit "will" 10. Line 82: . women has express their extent....women is plural. 11. Line 88-98: You do not need to list all of them Just indicate the major ones. 12. Table 3: N is the number for total population, and n is the number for sample. Here you should use "n". 13. Conclusion part is weak. You can emphasise your limitations, discuss findings, make suggestions for academics and practitioners, etc. 	
Optional/General comments
