

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	
Manuscript Number:	
Title of the Manuscript:	
Type of Article:	

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<ol style="list-style-type: none"> 1. The proposed corrections have been effected by the authors to the satisfaction of this reviewer. 2. Numerous occurrences of words fused together or an absence of spacing after a fullstop (period) are apparent throughout the document. 3. Grammar of discussion section is still generally poor and would require some professional editing. 4. Reference format of journal not consistently applied in bibliography.
